woman. Our school board will have to have the courage to refuse any requests for things for the school that is not necessary. The purchase of the venetian blinds for a part of the school building at a time when the blinds were at a top-notch price (1945) certainly was not economy. Nor was the purchase of gowns, regardless that part of the purchase price being supplied by other sources, does not justify such things when the school is so badly in need of repairs . . . and the feet of two children fell through the gym floor this past week. It would seem the safety of the children should be first regardless the cost of repairs.

The writer of the letter in last week's edition of 'OUR TOWN," Rev. Senft, pays no taxes, no rent, no repairs on his home. This is as it should be; nevertheless, it behooves one in this position to hesitate before advocating extra burdens on the tax payer who has these responsibilities.

There are two of us in family and we both earn money. It would be no burden for us to pay an added tax. But for the thousand of white collar workers and the widows whose income is around two thousand dollars per year, these extras are a hardship. And do you ever remember a time when added taxes were put on, these same taxes were removed. Not in my time, and that isn't sixteen years, either.

It will be a glorious day when things in general are normal, prices are fair, homes plentiful, business good and everybody happy. Is that day just around the corner? Not unless we all wake up and be sensible and live and let live.

Sincerely,
SUZANNE J. GILL (signed)

Letter To The Editor

The Editor,
Lower Merion Newspapers,
Ardmore, Pa.

I have been much interested in the hawk-bird controversy along the Main Line, and have followed the accurate account in the Bulletin.

We enjoy song birds, their singing and chirping in the trees on our lawn and in our bird baths, singing their message to the world, and to all who will hear. All real nature lovers must love song birds and Lower Merion generally does.

I have no brief for or against hawk lovers, but we ask, "in your balance of nature scheme, who is going to take care of the hawks?" The hawks have definitely been killing our fine song birds, and the very hawks which you say are not in Lower Merion have been the killers.

We do have Coopers, Sharpshin and Goshawk right in Lower Merion and we aim to help protect our fine song birds from these murderous species of hawks.

For a constructive suggestion would suggest all get behind the efforts of the bird lovers to establish a bird sanctuary, two of them in fact. One in Merion and another at the upper end in Rosemont. This would be a very commendable project, and well worthy of the efforts of good citizens of Lower Merion.

St. Margaret's To Sponsor Second In Lecture Series

Count Eric von Kuehnelt-Leddihn, author and lecturer, will present the second in a series of lectures on Communism sponsored by the Holy Name Society of St. Margaret's Church, Narberth.

The exact date for his lecture has not yet been set. He is the author of "The Gates o fHell" and "The Menace of the Herd."

On February 25 the Rev. Dr. Anthony J .Flynn, former President of Immaculata College and Profesor of Church History at Rosemont College, delivered the first o fthe series before a capacity audience in the Church Hall.

Dr. Flynn gave a summary of the philosophy of Karl Marx and pointed out that "Communism is the practical application of this false philosophy."

He traced the history of Communism before the Russian Revolution of 1917 through the reigns of Lenin and Trotzky up to and including the dictatorship of Stalin.

He attributed the rapid spread of Communism to "the insidious methods used by its followers in creating unrest and undermining faith in the current government."

OIL BURNER PERMITS

Twenty-nine permits for the installation of oil burning equipment were issued during February by Jesse L. Stetler, Lower Merion Township Building Superintendent. The cost of the work is estimated at $20,199.

There are 936 boroughs in Pennsylvania.

Congratulations to the Raymond Cabreys, of Narbrook Park, who just became grandparents again—their daughter Eleanor, she's the wife of attorney William Fox, of Upper Montgomery County, had a little girl, Kathryn, last Saturday at Bryn Mawr Hospital. She's the niece of J. J. Cabrey, by the way . . .

* * *

Congratulations to "Our Town's" Associate Editor, Suzanne Y. Wingate, who is celebrating her birthday this Friday. She's the daughter of the S .Leroy Wingates, of 107 Chestnut Ave., Narberth, and is known to her friends as "Jimmy."

* * *

It's been interesting to see the way the Borough is going about trying to get its teachers a raise. Roland Fleer, of 227 N. Narberth Ave., School Board solicitor, certainly has been doing his level best to get the "go-ahead" signal for the School Board to borrow the money . . . He's surely to be commended . . . And he's such a nice person, besides . . .

* * *

Glad to know that **Mrs. P. W. Hord**, of 407 Woodside Ave., is better after her recent illness.

* * *

By the way, Lou McCartney, president of the Women's Community Club, was saying that she and her husband, Jay traveled to Connecticut last weekend to help their two grandchildren celebrate their birthdays. Little Lorna Lou was was two. Lou said that the children's birthdays came a week apart and in order to keep peace in the family they went up on the in-between week-end.

* * *

Did you know that **Mrs. Carroll Jones** was elected delegate to the State convention of the Federation of Women's Clubs by the Narberth Women's Community Club? She'll attend the convention in May.

* * *

This week Narberth is going to have a two-way radio installed in its police car. Lower Merion is having the same done for its cars, so now the borough will be able to get hold of any number of cars when it sends out a police call . . .

* * *

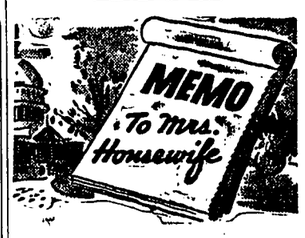

Margaret and Bill Carroll have begun to move into their new home over on Shortridge Drive in Wynnewood. Bill's the son of **Mrs. Wharton B. Carroll**, of Gypsy Lane, Wynnewood, but they were Borough residents for years . . .

* * *

Do hope that Mrs. Earle Rice, who has been unconscious in Bryn Mawr Hospital for two weeks now, will be coming along. She's really had quite a fall . . . Did you know that in addition to everything else she broke her arm when she fell?

* * *

Guess that is about all for this week. 'Bye now . . .

All-Main Line May 30 Parade Is Planned

Legion and Twp. Officials Name Committees

Tentative plans for a community-wide Memorial Day parade and services, first in the history of the lower Main Line, were formulated last Thursday night at a meeting of local American Legion and Township officials.

Frank Challenger, deputy commander of the 9th District of the Legion, has been named chairman of the general committee in charge of preparations for the event.

Mar. 24 Meeting

At another meeting of the committee, called for Monday, Mar. 24, in the School Administration Building further plans for the parade and memorial services will be discussed and sub-committee reports read.

Legion members of the general committee in charge of the program are: Seymour Green, commander of the Bullock-Sanderson Post, of Ardmore; Mitchell McDaniels, commander of the Leon Spencer Reid Post, of Ardmore; John B. Austin, Jr., commander of the John Winthrop Post, Bryn Mawr; Jeanne D'Annunzio, commander of the Main Line Women's Post, Bryn Mawr; William Banfield, commander of the Harold D. Speakman Post, of Narberth; and Charles C. Alesio, commander of the West Manayunk Post.

Township officials serving on the general committee are E. E. Burlingame, School Board president; Frank A. Dubois, School superintendent; Samuel W. Gearhart, Lower Merion Police Superintendent; Fire Marshal Harvey Benson; Edward H. Snow, principal of the Ardmore Junior High School.

Chairman of the Parade Sub-Committee is Henry M. Harmon, past commander of the Bullock-Sanderson Post. Chairman of the Memorial Services Committee is William McGarvey, of the John Winthrop Post.

Legion and Township officials said this week the community-wide celebration would in all probability be held at a time that would not interfere with Memorial Day observances usually held by individual Legion posts and other organizations.

Ardmore Rotary Stages Annual Ladies' Night

The Ardmore Rotary Club held its annual Ladies' night at the Llanerch County Club Thursday.

More than a hundred members and guests gathered to dine and laugh at satirization of themselves and other members. Ralph Dunn, Director of Rotary International and Walter Schrempel, District Rotary Governor, wer among the guests.

Feature of the entertainment, which was arranged by Harold Watts, was a truth or consequences mock trial. J. P. Kelgard, a professional entertainer from New York, acted as master of ceremonies.

There are 60 first class townships in Pennsylvania.

NARBERTH SCHOOL NOTES

On February 14, Garnet Hazard, artist, entertained Narberth Public School students in assembly. Mr. Hazard demonstrated his ability by drawing three pictures. Two of these pictures were in color and one in black and white. These pictures are now on display in the N. P. S. art room.

Mr. Henry T. Kauffman, of the Philadelphia Dairy Council, presented a very interesting assembly program on February 7. He entitled his program "Music Hath Charm." Mr. Kauffman played a number of instruments, such as the accordian, cymbals, triangle and a number of small instruments. This program was very humorous and entertaining.

Narberth School hopes to have several more entertaining programs like those mentioned above during the school year.

Mass Sung For Mrs. E. T. McGrath, Of Bala-Cynwyd

Solemn Requiem Mass for Mrs. Ellen Toner McGrath, mother of Mrs. George Butler, of 136 Upland Terrace, Bala, was sung Friday morning at St. Matthias Church, Bala-Cynwyd.

Mrs. MacGrath, who was 70, died after a long illness at the home of her daughter, with whom she had lived several months.

She was born in County Derry, Northern Ireland, and came to this country as a young girl. Her husband was the late John F. McGrath.

In addition to Mrs. Butler, Mrs. McGrath is survived by seven other children, among them Mrs. Martha Galloway, of the Bala Apartments. Interment was in St. Denis Cemetery, Merwood.

Mrs. Earle Rice Still Confined To Hospital

Remains Unconscious Three Weeks After Fall In Church

Mrs. Earle M. Rice, Narberth housewife and mother of two children, is still unconscious in Bryn Mawr Hospital nearly three weeks after falling down a flight of steps in the Baptist Church of the Evangle, Narberth.

Mrs. Rice, the wife of John W. Rice, of 105 S. Narberth Ave., was discovered at the bottom of the steps February 21 by a group of boys who were playing basketball in the basement. The boys told officials of the church that Mrs. Rice had called from the top of the steps to see if her son, Robert E. Rice, 13 was there.

Shortly afterward, the boys said, they heard a noise and found Mrs. Rice lying at the bottom of the steps. She was rushed to the hospital in the Lower Merion Township police ambulance.

Officials of the hospital stated that Mrs. Rice was suffering from a possible fracture of the head, concussion, multiple bruises, and a fractured left wrist.

John W. Rice, Jr., other son of the couple, is a student at the University of Pennsylvania.

law, the School Directors are authorized to make a temporary loan for the purpose of meeting the requests of the school teachers for higher salaries.

"We feel that such a situation was never contemplated by the Legislature in enacting this section of the School Code and that the provisions of Section 563 cannot possibly be legally stretched to cover the situation in the present case.

Two Courses

"It would seem that there may be two important things for the teachers to do.

"First, the time is approaching when it will become the duty of the School Directors to make up the budget for the school and fiscal years 1947-48. Even if a temporary loan were made at the present time it would have to be taken care of in the new budget and would necessarily cut down the amount of tax money available to pay teachers salaries for the next school year. The School Directors having levied the maximum tax possible under the present law, no greater amount of tax funds would appear to be available during the next school year. If these funds are to be depleted by the re-payment of a temporary loan, it may well be that the School District will be unable to obtain sufficient teachers next year to carry on.

"Secondly, the State Legislature is at present in session and no doubt ready and willing to act to aid the teachers in their present situation. While we said that no greater tax money may be expended during the next school year under present legislation, yet there is certain emergency legislation which may provide greater revenue for teachers salaries during the next school year. Counsel for both the petitioners and the respondents referred to such legislation in their arguments before the court."

Local Accountants To Appear On Radio

Two local members of the National Association of Cost Accountants will discuss the topic, "Are Our Income Tax Laws Too Complex?" on Radio Station WFIL's weekly "Philadelphia and Suburban Town Meeting" program Sunday, March 9, from 4 to 4:30 p. m.

The acountants are James Mahon, Jr., Haverford Apts., Haverford, and David P. Fry, Jr., 225 Price Ave., Narberth, who will contend that revisions are necessary.

Mrs. Grace

(Continued from Page One)

S. Haws and Clifford Bates were the other members of the committee before whom Mrs. Grace appeared when she applied for the job. There were nine other applicants, but Mrs. Grace was given the chance to "grow with the office" because she needed the job.

She started out by answering phone calls which began to pour in once Narberth residents learned there was someone who would listen to their complaints and who could pass them on to the right person. Before Mrs. Grace's advent to the office, Council was generally run from the members' business offices.

One of the things which had long been on the list of Borough housewives' complaints was the inconsistency of the garbage collection. With someone in the office all day, the garbage men could now make a check each day on whether or not anyone's collection had been inadvertently skipped.

Deputy Collector

In 1935 the tax collector's office was established in Borough Hall, and Mrs. Grace was made Deputy Tax Collector, which allowed residents to pay their taxes at any time. Previously, taxes had been paid either by mail or on Saturday mornings at the bank, the only time Tax Collector Edwin P. Dold could be in town.

Until 1937, Charles Nold had taken all the minutes of the meetings of Council, but upon his death that year, (he was killed while fighting a fire in his line of duty as Borough Fire Chief), Mrs. Grace took over that job, too.

Hers is one of the three signatures required on all Borough checks and ordinances. She signs all bond issues and takes care of the official records of the Borough.

The same year she began to take minutes of the meetings of Council she was made official Secretary of the Borough and has sole charge of the Borough Seal. Other duties include sending the Borough budget to the Department of Internal Revenue, keeping the records of the current budget accounts in the official ledger; and seeing to it that the fiscal budget is prepared each year.

All Kinds of Queries

The Borough Secretary gets all kinds of questions, from "Who's a good dentist?" to "What time does the ball game start, and who's playing today?"

In addition, she has to have a thorough working knowledge of Borough affairs and is in constant communication with all residents of the Borough.

She is, in effect, the intermediary between the people and Council, which could be a very difficult job if she didn't accomplish it with so much finesse.

Services Held For Robert Marnie

Funeral services for Robert E. Marnie, 33-year-old apprentice watchmaker of 1839 Windsor Park Lane, Westgate Hills, were held Saturday afternoon at his home.

Mr. Marnie, who had been ill a year, died last Monday in Presbyterian Hospital. He had attended Haverford Township High School before he left to take a position in the jewelry department of N. Snellenburg and Company.

He is survived by his mother, Mrs. Isabelle Marnie Kennedy. Interment was in Fernwood Cemetery.

RE-ELECTED DIRECTOR

Dr. John Eiman, of 126 Derwen Rd., Bala-Cynwyd, has been re-elected a director of the Inter-Country Hospitalization Plan.

LITTLE THINGS about the Stars

By GEORGE LILLEY

NEW YORK, N. Y.—That most things do happen on the Ralph Edwards' "Truth or Consequence" radio show (Saturday nights, NBC) has been demonstrated again. A contestant, not long ago, Mike Kozall, "won" the show, the next week took it over completely without professional help. Mike had fun. He plugged his own "Sally Lee" dress shop. He gave $200 to a relative for "remembering" 20 faces (her friends). The school teacher of Mike's nephew got a jeweled watch. Mike's mother-in-law won $100 for answering a difficult question (land area in square miles of North America). She got an additional $5 for sending in the question! Such zaniness awards Ralph Edwards well—about $4000 a week.

Mike Kozall

LADY OF LETTERS

Few of the big night-time radio stars have a following as ardent as that of serial Queen Lucille Wall. She's the star of NBC's late afternoon "Portia Faces Life," which usually rates among the top three day-time dramatic shows. Seldom a week goes by that Lucille does not receive 150 to 200 letters of intimacy and warmth from listeners. They are, of course, unsolicited and, setting aside various press agent claims, that is top-drawer return. Smartly dressed, pretty, the actress has been with the seven-year-old show since the beginning. She is the performer who always grips a handkerchief in hand for fear during a broadcast she may suddenly sneeze. To date she never has.

Lucille Wall

MAN OF WORDS

Back on the air (Monday through Friday afternoons, ABC) is tall, courtly Edwin C. Hill with his "Human Side of the News." This sonorous voiced newsman is possibly the most effective fellow with words radio yet has stumbled across. Smart dressing, cane toting ("to impress people I interview") Edwin Conger Hill, 63, can give the strike of a match the dramatic impact of a four-alarm fire, yet manage it with discrimination and taste—a trick most dramatic commentators on the air have yet to conquer. Hill, like many New York newsmen, is from the midwest (Aurora, Ind.). Among his quoted exploits is the Mark Twain story. Checking rumors of the author's death, Hill was met by Twain at his apartment door in nightshirt, got the memorable line: "Reports of my death have been greatly exaggerated."

Edwin C. Hill

Very Little Things

John Mills, bass singer of the Mills Brothers ("Music Hall," Thursday nights, NBC), is the father—not the brother—of the other boys in the group . . . Songstress Jo Stafford (NBC "Supper Club") now a Conga fan. Once at 180 pounds (now a trim 132), she thought dancing wasn't for her . . . Ozzie and Harriet Nelson work on their radio show (Sunday evenings, CBS at nights, sleep most of the day—a throwback to their band days . . . New Yorker Mark Warnow, to California for the first time with "Your Hit Parade" (Saturday nights, CBS), still awed by the orange groves.

Boro Man Takes English Bride Saturday Morning

For the second time in less than three weeks, a Narberth man and an English girl he met while serving overseas, were married in St. Margaret's Church, Narberth.

On February 10, John Joseph Dorenzo, of 307 Hampden Ave., Narberth, and Patricia Davies, of Torquay, Devon, England, who met at a dance in Torquay over two years ago, were married in the Narberth church.

This past Saturday morning, Irene Dodd, daughter of Mr. and Mrs. John Dodd, of Workington, England, became the bride of Thomas Case, son of Mrs. Carrie Casey, of 111 Essex Ave, Narberth, and the late Mr. Jeremiah Casey.

Mr. Casey, a sergeant in the U. S. Army Air Corps for four years, met his bride while stationed in London, England. After his discharge in January, 1946, he resumed his position as Narberth letter carrier, and spent all his spare time seeking a home for his future bride.

In June he secured an apartment in the Baird Apartments, Narberth, which he has since completely furnished, and a few weeks ago he and his sister, Caroline Casey, and a friend, Louis Pugh, drove to New York to meet Miss Dodd who had arrived in New York Harbor aboard the Queen Elizabeth.

The couple was married in the rectory of St. Margaret's Church at 11 o'clock Saturday morning by the Rev. Charles O'Conner. The bride wore a grey suit with a matching veiled hat and a corsage of white rosebuds.

Her maid of honor and only attendant was Miss Caroline Casey, sister of the bridegroom, who wore a pink suit and a corsage of pink rosebuds. Joseph Casey served as best man for his brother.

A wedding breakfast for members of the immediate family followed the ceremony at the home of the bridegroom's parents. The newly weds left soon after for a short trip to Atlantic City.

Bala-Cynwyd Club To Hear D. Appel Monday Afternoon

David Appel, editor of the Philadelphia Inquirer Sunday Book Section, will speak on "Current Books" at a meeting of the Bala-Cynwyd Woman's Club Monday afternoon. Sponsored by the Literature Department, whose chairman is Mrs. Henry Sharp, the meeting will be held in the club house at 2.30 P. M.

Formerly literary editor of the Chicago Daily News and Book Reviewer of the Cleveland News, Appel has been in newspaper work for 20 years, and has contributed articles on literary subjects to a variety of magazines and periodicals.

Mrs. Roy Mohler and Miss Emma G. Kunze will preside at the tea table.

The club's fashion show and dessert-bridge, with Mrs. John Ballingall, chairman of the Ways and Means Department, in charge, will be held next Thursday. There will be table and door prides.

The Art Exhibit for March will include the works of Mrs. Elizabeth Stevens Laverty, of Cynwyd. Mrs. Laverty, who won the Dawson Memorial Medal in 1943, has exhibited in the Pennsylvania Academy of Fine Arts, the Corcoran Galleries in Washington, D. C., the American Water Color Society, New York City, and Art Alliance, Pennsylvania.

Elect Officers For New Church Group

Mrs. Frederick Epp, of the Elm Garden Apartments, Wynnewood, was elected president of the newly formed Evening Auxiliary of All Saints Church, Wynnewood, last Thursday night.

The new group, sponsored by the Woman's Auxiliary, was formed for business and professional women who are unable to meet in the day time.

Other officers elected include Mrs. Paul Taylor, vice-president; Miss Blair Humphrey, secretary; and Miss June Orr, treasurer.

Miss Summerlin, Lt. Stevens, To Wed On March 29

Miss Ursula Buckley, of Salisbury, England, will serve as maid of honor at the wedding of Miss Henrietta Virginia Vandergrift Summerlin, daughter of Colonel and Mrs. Horace B. Smith, of Washington, to Lieutenant (jg) Hugh Laurington Clarke Stevens, 3d, Medical Corps, USNR, son of Mr. and Mrs. Hugh Stevens, of 424 Conshohocken State Rd., Bala-Cynwyd, which will take place Saturday afternoon, March 29, in St. John's Church on Lafayette Square, Washington. The Rev. Dr. Leslie Glenn will officiate.

Mrs. Arthur H. Page, 3d, and Mrs. B. Gordon Dickey, of Washington, will be the matrons of honor, and the bridesmaids will include Miss Harriett Summerlin, cousin of the bride; Miss Lisette Littlenales, Miss Joan Exnicios, Miss Mary Echols, Miss Hope Erwin and Miss Nancy Fisson.

Julian Hurt Stevens will act as best man for his brother, and the ushers will be Richard Morrison and John Nelson, of New York; Richard Farsh, of Glen Rock, N. J.; Richard Warren, of Boston; Lieutenant Arthur H. Page, 3d, USMCR; Lieutenant Commander Charles Thompson, Medical Corps, USNR; Lieutenant (jg) Robert R. Russell, Medical Corps, USNR; and Lieutenant (jg) Arthur W. Tacke, also Medical Corps, USNR, of Washington.

A small reception at the Carlton will follow the ceremony.

Church Group Sends Clothing To Germany

The Sewing Circle of the Woman's Society of Christian Service of the Ardmore Methodist Church, recently sent its fourth shipment of clothing to Mrs. Roger H. Wells in Germay for distribution to distressed German families.

Mrs. Wells, a member of the local church, is now stationed in Berlin with her husband, Dr. Wells, of Bryn Mawr College, who is assisting General Clay in the Civil Administration work of the Army of Occupation.

Borrowed straight from grandpa's closet is the idea for this nightshirt designed by Harry Berger. It comes in baby blue with white piping on the Peter Pan collars and has a flowing white tie.

Narberth Women Hear Talk On Spring Fashions

"Paris still influences the world of fashion," said Marie H. Gatter, Fashion Director of N. Snellenburg & Co., before a crowd of 300 at Tuesday afternoon's meeting of the Narberth Woman's Community Club.

Miss Gatter said the reason for this was that whereas the Parisian gown was created for the individual, American gowns were made in mass production.

Hostesses at the meeting were Mrs. W. J. Henderson and Mrs. John Caldwell. Presiding at the tea table were Mrs. Robert Cameron and Mrs. R. G. Bennett.

On Tuesday, March 11, there will be an executive board meeting at noon, and at 2 P. M., there will be a meeting of the Literature Department, whose chairman is Mrs. Edwin R. Kirk. Mrs. Caryl E. Starr will review a current book.

George Hyklel Says Realtor Holds Up Sale Of Buck Inn

George Hykel said Wednesday he intends to follow through in his efforts to buy historic Buck Tavern for use as a taproom despite what he termed "shady and underhanded attempts' by Meredith Jack, Philadelphia realtor, to interfere with and block the sale.

"Jack has no exclusive agency on the property and is trying to hold me up on the price because of his commission. He is no more interested in the historical background of Buck Tavern than the man in the moon,' Hykel said.

Hykel, who returned last week from a vacation in Florida, said he plans to meet with Mrs. Mary Martin, owner of the property, and try to fix a price.

This week, Jack said he did not wish to continue the argument with the Hqkel brothers and that he was sure Mrs. Martin was weary of their talking and tactics.

Civic Group Fights Liquor License in Hotel

Local Hotel Asks State For Liquor License

Score of Residents Appear Before Board in City

The Haverford Civic Association is oposing the issuance of a liquor license to the Haverford Court Hotel on Montgomery Ave., Haverford.

At a hearing Monday before the State Liquor Control Board in Philadelphia, a score of Haverford residents asked the Master to refuse the liquor permit.

"Can't Hope To Win"

Graeme Lorimer, persident of the Civic Association, said Wednesday that residents are objecting to a bar and cocktail lounge in the hotel on general principles only, because there is nothing in the law to prevent the hotel from selling liquor.

"We can't hope to win our fight because there is not one legal reason why the license should not be granted", Lorimer admitted.

"We have studied the matter closely since learning of the hotel's request for a license some six weeks ago, but all the requirements of the law are fulfilled.

"Hotels are not bound by quota restrictions on the number of public bars in any one neighborhood, and there are no schools, churches or playgrounds within 300 feet of hotel grounds", he said.

Decision Next Month

Henry Schrager, who bought the Haverford Court Hotel last November, said he had no comment to make on the dispute and that he had not made any plans and would not do so until the license is granted.

At the hearing Monday, several residents protested that the proposed bar would create a traffic and parking problem, but Schrager's lawyer said the hotel was planning additional parking space for at least 100 automobiles.

The Philadelphia office of the State Liquor Control Board has forwarded its recommendations to Harrisburg and a decision is expected within the next month.

Teachers' Pay $32 To $46 A Week, Letter Says

School District of Narberth,
Narberth, Pa.,
March 3, 1947.

The Editor,
Our Town,
Ardmore, Pa.

Dear Mr. Editor:

The Rev. Mr. Senft's letter on the teacher salary situation, published by you last wek, contained the writer's estimate of Narberth teachers 'take home pay. We should like to submit the actual figures—accurate to within a few cents.

The "take-home pay" figures show the median salary is about $39.50 per week. The range is from $32.00 to $46.00, or about $140 to $199 per which is at some variance with estimated figures. These figures do not include the principal nor any non-teaching employes of the school district.

Sincerely yours,
Margaret Gassner (signed)
Secretary, Narberth Teachers Association.

Parking Space OK'd For Store

L. M. Zoning Board Grants Appeal

An appeal by the A. and P. Store at Montgomery Ave., Penn Valley, for additional parking space at the rear was granted by the Lower Merion Township Board of Zoning Adjustment last Thursday night. The rear of the property is in an R-2 residence district.

Presented by Charles J. and George A. Hansell, owners of the property, the appeal was granted providing the parking area be used only during the store's business hours.

A handful of Penn Valley residents whose properties abut the rear of the store who objected, conceded the need for additional parking space and finally tempered their objections, providing the screening were adequate and the area be used by patrons only during the business hours.

Speaking for the Penn Valley Association, of which he is an executive board member, Philip H. Chase, said the Association favored the appeal because of the need for off the street parking in the area.

NATIONAL PRESS BUILDING
WASHINGTON, D. C.

With the turn of the year, housewives are always economy-minded. So don't forget it's thrifty to buy vegetables and fruits in season. Buy nutritious vitaminized margarine, too, for an economical table spread and cooking ingredient.

★ ★ ★

Speaking of economy, when serving roast and potatoes, cook a few more potatoes to make a crust for a meat pie next day. One good recipe calls for 2 cups mashed potatoes, 2 tablespoons margarine and ¾ cup flour. Pat out and bake like an ordinary pie crust. Then fill with creamed chicken or fish or meat and gravy.

★ ★ ★

Have you seen the purses that have a hidden compartment for umbrellas? They're wonderful for unpredictable winter weather. They come in most popular colors and are about average size.

★ ★ ★

Get your feet wet today? Then remember to dry out your shoes very slowly. Never near strong heat. Next give 'em the ol' shinola to help restore some of the leather's natural oils.

★ ★ ★

January mail order catalogs of some of the larger companies will carry many incorrect price listings because catalogs were printed before OPA controls were lifted. However, customers will be notified in case of price increase before shipment is made. Whenever possible the company itself will absorb the difference in price.

★ ★ ★

Recent reports indicate that sugar rations will probably be increased in the second quarter of '47. And there's a good chance that rations will be upped 20% next year.

Penn Valley Man Denied Appeal By Zoning Board

Harper J. Guinn's appeal to build two bedrooms and a solarium over the three-car garage behind his home at 609 Old Gulph Rd., Penn Valley, was denied by the Lower Merion Township Zoning Board of Adjustment last Thursday night.

As planned the additional improvements would have been attached to the house, thus extending the living quarters and reducing the rear and side yard depths to less than the required footage for an R-1-A residence district.

Vernon R. Dunlap, of 611 Old Gulph Rd.; John H. Jeffries, Jr., of 607 Braeburn Lane; A. W. Thorson, of 609 Braeburn Lane; and Charles Keller, of 611 Braeburn Lane, Penn Valley, all spoke in favor of the proposed plan, saying they thought it would improve the appearance of the house.

William E. Sketchley, of 612 Braeburn Lane, whose property backs into Guinn's property, objected, on the ground that it would create a bad precedent. He said also that the increased height would create severe glare and light reflection.

Building Of Real Estate Office Barred

60 Residents, 6 Civic Groups Register Protest

Sixty residents, backed by six civic groups, last Thursday night succeeded in defeating a proposal to build a real estate office in a Wynnewood residential district.

An appeal for a zoning variance, made by Clifford A. Rogers, president of the Suburban Construction Company, was denied by the Lower Merion Township Board of Adjustment.

Wynnewood Site

John E. Flynn, who appeared for Rogers, said his client wanted to build a one-story, four room, stone and brick building at 528 Haverford Rd., Wynnewood, to be used for his private real estate office.

Flynn said Rogers felt that because the property was between two non-conforming use sites (a greenhouse on one side and veterinary hospital on the other), it was not feasible to utilize the property for residential purposes.

Objectors to the appeal said Rogers knew when he bought the property that it was in a residential area, and that there was nothing to stop him from using it for residential purposes now. With the exception of the two non-conforming uses, they said the neighborhood was 100% residential.

They said, further, that if the appeal were granted it would serve as an opening wedge for other such businesses and would be detrimental to neighborhood property values.

Earlier Re-zoning

George D. Dougherty, Zoning Chairman of the Ard-Wood Civic Association, said the Association had gone to a lot of trouble last Spring to have re-zoned a large segment of ground facing the area in question.

"If this variance is granted," he said, "it will nullify the good work the commissioners did last spring."

T. B. Baldridge, Jr., of 1442 Hillside Ave., Wynnewood, asked where Rogers' clients would park their cars. "The property in question is at a dangerous intersection," he said. "How could he park clients without encroaching on the street or someone else's property?"

Objectors included John W. Dawson, Jr., representing the Wynnewood Civic Association; Walter Buck, of the Overbrook-Park-In-Wynnewood Civic Association; George D. Dougherty, of the Ard-Wood Civic Association; Samuel T. Milliken, of the Wynnewood Improvement Association; Robert J. Conway, representing a group of Beechwood residents; and R. L. Nelson, representing a similar group in Penn Wynne.

School districts in Pennsylvania are divided into four classes according to population.

Barking Dog Warns Family Of Danger Of Blazing Roof

Jiggs, a small black water spaniel, was the hero of a fire Monday night at the home of Mr. and Mrs. George C. Murphy at 1 Maple Terrace, Ardmore.

The family fled from the house after being warned by the pet dog's barking after he sniffed smoke on the third floor of the home. Murphy, a greenskeeper at the Aronimink Golf Club, went upstairs to quiet the dog and discovered the roof on fire.

Murphy grabbed his 2-year-old son, Joseph, from his crib and led his wife, Margaret, and their three other children to the street. Volunteer firemen from the Merion Company said the the fire was caused by an overheated chimney. Damage was confined to a small section of the roof.

Temple Plan Turned Down

Zoning Board Bars Research Institute

Temple University's application to establish a scientific research institute on a Haverford estate was turned down by the Lower Merion Township Zoning Board of Adjustment last Thursday night. University officials said they would not appeal the case.

At the January Board Meeting, Temple officials presented their proposal to establish the non-profit institute on the five-acre Coolkenny Estate, at Montgomery Ave. and Booth Lane.

Dr. Robert L. Johnson, university president, said then that the purpose of the institute was to give post-graduate instruction to graduates of the university.

There were two petitions presented, one in favor of and the other opposing the granting of the request. Board members withheld their decision until the February meeting last Thursday night.

Haverford Hi Passers Advance In Delco Tourney By Defeating Swarthmore On Haigh's Basket

Haverford High's basketball team advanced to the quarter-final round of the 25th annual Delaware County championship tournament by nosing out an unexpectedly stubborn Swarthmore High team, 30-29, Saturday night in Chester.

Haverford, if victorious over Chester High Tuesday night, was scheduled to meet the winner of Wednesday's Upper Darby-Eddystone game. If the Royals and Haverford met in Thursday's emilnals, it would mark the third time this season the neighborhood rivals had clashed.

Upper Darby humbled Haverford by 12 points in a Suburban Section One meeting early this season, later lost by 51-31.

The Haverford-Swarthmore battle was a thriller all the way, with the underdog Garnet courtmen rallying after a seven-point deficit in the first period. Neither team boasted any substantial advantage after Steve Juenger's Fords took an early 9-2 lead.

It wasn't until the final five seconds that Walt Haigh pulled the game out of the fire for Haverford. His baske as the final horn sounded proved decisive. It was the only goal Haigh had all evening. Bill Carson was big gun for the locals with 13 points.

Tom Smith, Villanova football guard, and George Connor, Note Dame's All-American tackle, enjoyed a reunion when Connor was honored by the Philadelphia Sporting Writers' Association. Smith and Connor were roommates as freshmen at Holy Cross before entering the service.

Ben Geraghty, former Villanova baseball and basketball ace who played with several major league teams, will again manage Spokane, Wash., in the Wetsern International League. Geraghty has recovered from injuries suffered in the tragic bus accident which killed nine Spokane players.

Villanova's basketball team enjoyed better than average success on road trips this season. The Wildcats won eight of 11 away games.

Currently leading the Philadelphia district scoring race and ranking second in Pennsylvania, Lord tallied 402 points in 22 games, an average of 18.3 points per game. Villanova met Scranton Tuesday and entertained powerful Georgetown two nights later.

Described by Coach Al Severance as "the finest player I have coached in 14 years and quite capable of making any college team in the country today," Lord has set a terrific scoring pace while guilding four freshmen teammates through a difficult schedule. The Wildcats won 16 of their first 22 games, including eight straight wins in February.

A 6-foot-1 former Army bombardier, Lord came back from service to set a new Villanova scoring mark of 303 points in 23 contests last season. It was his first court activity in more than three years.

Lord has been the main cog in the Wildcats' success this winter. A polished player with leadership qualities, Joe has tallied in double figures against many of the East's ranking teams. His 45 points against Kings Point gave him a new Philadelphia district college scoring mark.

Lord and his classmate, diminutive Bob McDonnell, will be in the starting lineup against Scranton and Georgetown. They are the only seniors on the Villanova squad. Both will turn their attention to baseball after the court season ends.

Lord handled second base for the Wildcats last spring and McDonnell was a starting pitcher.

2 Haverford High Gridders Win PIAA Wrestling Titles

Two Haverford High football stars, Erle Daniels and Charlie Anderson, captured individual championships in the 15th annual PIAA District One wrestling tournament at Lower Merion High gym, Saturday.

Daniels, defeating Abington's Frank Vaughn by 5-3, won the 145-pound class title. Anderson became king of the 185-pounders by taking the referee's decision over Jim Daniels, Abington, after two extra periods.

Haverford's Bill Staman, 112 pounds; Bob Schlenzig, 133, and Phil Donatelli, 154, lost out in the finals as Abington took the team title.

Daniels and Anderson, along with winners of nine other weight classes, will compete in the State championship at Kingston, March 14-15.

Wayne Wins Playoff Spot In 'B' League

Wayne I. A. C. automatically became the fourth team in the Main Line "B" League Shaughnessy playoffs when Havertown upset Narberth, 34-27, at Bala-Cynwyd on Monday night.

Coatesville, in Section One, and Phoenixville and West Manayunk, in Section Two, had previously clinched playoff berths.

West Manayunk's stirring 44-33 win over Ardmore Knights of Columbus climaxed a four-month battle between the two clubs for second place in Section Two. Frank Basile, Ton and Jerry McFarland led the Yunkers.

Coatesville had been heading Section One most of the season, with Wayne I. A. C. and Narberth waging a hot battle after Sun Oil faltered halfway through the season.

The "B' League champion will be decided in a series of playoffs to be held at Radnor High School in Wayne, the most centrally located floor for all teams concerned.

The preliminary series(best two out of three) will get under way on Thursday, March 13, at Wayne. Coatesville, Section One champion, meets West Manayunk, Section Two runnerup, in the first game, and Wayne, Section Two runnerup, meets Phoenixville, Section Two champion, in the second game.

The winners o fthse series will meet in the best three out of five games championship playoff at Radnor High, with the losers playing i na consolation series, thus assuring double-header basketball action every playoff. night.

VFMA Teams End Seasons

Three Valley Forge Military Academy athletic teams will conclude their seasons Saturday and the riflemen will play host to University of Pennsylvania ROTC in their next to last match.

Maj. Jack Maddox's basketball team will play at Pennington School, while Trojan swimmers will compete in the Eastern Interscholastics at Trenton High. In a match postponed from February 22, Valley Forge's once-beaen wrestlers will meet Wyoming Seminary at Kingston, Pa.

Drexel Tech, which was beaten earlier this season by Valley Forge rifle team, will shoot over the Wayne range Friday afternoon. The Penn match will begin at 3.30 P. M. on Saturday.

Joe Rossi Equals World Rope Climb Record 2nd Time

Joe Rossi, former Lower Merion High athlete, matched the world record for the 20-foot rope climb Saturday, as Penn State College clinched the Eastern Intercollegiate Gymnastic League championship by scoring a 54-42 victory over previously unbeaten Temple University.

Rossi covered the 20 feet in 3.8 seconds to equal the world record for the second time this season. Two teammates finished right behind him to practically insure the Lion's triumph.

Local Scouts To Make Trip To Valley Forge

Annual Pilgrimage Was Postponed Last Week Due To Storm

More than 4000 Boy Scouts from Delaware and Montgomery counties will make their annual pilgrimage Saturday to Valley Forge.

Postponed from Washington's Birthday because of the blizzard, the Pilgrimage is a yearly event of the Valley Forge Council, comprising the two-county area. With colorful ceremonies, the Scouts will rededicate themselves to the ideals of George Washington and his achievements at Valley Forge.

Parade to Monument

Assembling at 9:30 A. M. at the foot of Quarry Rd., in the park, the Scouts will march in grand parade up the historic hills to Waterman's Monument, where the day's ceremonies will be held. Following flagraising ceremonies, there will be a formal welcome by the Rev. Dr. John Robbins Hart, rector of the Washington Memorial Chapel.

The program includes introduction of the Council's chief executive, Arnold C. Sorenson, and a Valley Forge investiture conducted by Rush T. Haines, council commissioner.

Pilgrimage Ribbons

A special highlight will be four tableaux depicting great moments of the Revolution, including the immortal encampment at Valley Foreg. Later, a picked group of senior Scouts will hold ceremonies at the grave of the Rev. Dr. W. Herbert Burk, founder and first rector of the Washington Memorial Chapel.

The program includes awarding of pilgrimage ribbons to the participating troops and Valley Forge pins to the individual Scouts.

Know Your State

A comparison of the status of agriculture in the Commonwealth of Pennsylvania in 1945 and 1870 shows a remarkable stability of our agriculture and the equally remarkable progress which has been made as the result of the introduction of machinery.

The total number of farms in Pennsylvania in 1870 was 174,041. This number has not substantially changed during the seventy-five years intervening, since the Census of Agriculture of 1945 shows a total of 171,761 farms.

Cash Value of Farms

A still more striking uniformity is shown in the cash value of farms which in 1870 was $1,043,000,000 and in 1945 $1,009,000,000, but the value of implements and machinery on the farm has very greatly increased. The figure in 1870 was $36,000,000. In 1945 it was $223,000,000, yet the farm wages paid increased from $23,000,000 to more than $51,000,000.

The value of farm products rose from $184,000,000 in 1870 to $456,000,000, which represents only the value of products sold, in 1945. The value of orchard products increased from $2,670,000 to $18,944,000; the number of horses declined as would be expected from 460,000 in 1870 to 202,000 in 1945, but the number of cows rose from 706,000 to 1,011,870 in the years between 1870 and 1945.

Increase in Tobacco

The pattern of agriculture underwent very striking changes in regard to certain products. In 1870 we raised less than 3,500,000 pounds of tobacco; in 1945 we raised more than 46,000,000 pounds. Pennsylvania's potato crop increased from 12,900,000 bushels to 19,500,000 bushels between 1870 and 1945. The gallons of milk sold rose from 14,000,000 to 483,000,000. Meanwhile many of the early products disappeared altogether from the agricultural record or diminished to the vanishing point. In 1870 Pennsylvania produced 816,000 pounds of flax and 15,800 bushels of flaxseed, and in 1945, the flax crop amounted to only 38 bushels. The wool shorn fell from 6,561,000 pounds to 1,650,000.

On Pennsylvania's farms the equipment has changed even more drastically than some of the outstanding crops. In 1945 there were 127,000 farms equipped with electricity, 142,000 farms had radios, 69,000 had telephones, 56,000 had motor trucks, 93,000 had tractors and 165,000 had automobiles. Not one of these advantages or conveniences was available to anyone in the world in 1870.

The name Arctic is derived from the Greek word bear.

Optimists Hear Telephone Man

Mobile Phone Service Is Explained

Advantages of the new mobile telephone service were explained to members of the Ardmore Optimist Club at their luncheon meeting at the Llanerch Country Club Tuesday.

The system of telephoning between two automobiles and between car and home or office was explained by Carl Schweister, of the Bell Telephone Company.

Schweister said that the only drawback to the system is that calls must be made within a 25-mile radius.

The system has already been installed in the main telephone buildings in Philadelphia, Baltimore and New York City, and eventually the Bell Telephone Company plans to put it in operation throughout the country.

Albert H. Pearce, of North Aronimink, ruefully described his recent two-week vacation in Cocoa, Fla. He said he arrived in the middle of the worst storm and cold weather siege Florida had experienced in many years.

He said vacationists were not the only ones to suffer during the seige; nearly every fruit tree north of Indian River has been permanently destroyed.

Pearce also said that while his golfing equipment was stored in a locker of the Cocoa Country Club, the club caught fire, and all his equipment burned up.

John Mehan, of Highland Park, was welcomed as a new member.

Boil chicken or meat bones or chicken feet for broth.
